What is citizenship at Hogan Lovells ?

Citizenship is an integral part of Hogan Lovells' culture and strategy. We believe that social responsibility is one of the key value that unify us as a global firm. Thus Hogan Lovells encourages all offices and each member to be engaged in our Citizenship programs.

HL's 5 citizenship programs

Diversity - Being a diverse and inclusive place

Touch – Being generous

Environment – Being green and bold

Pro bono – Free legal services

Community Investment – Volunteering

25 hours global citizenship policy

Our new Global Citizenship Policy offers all our people globally an opportunity to engage in meaningful Citizenship activity as part of their normal duties at the firm.

We ask that each member of the firm **devote at least 25 hours per year to Citizenship activity** – just over two hours per month.

Global charity program: **Touch**

- Touch is our global charity program. Every two years, we choose a new charity partner

lendwithcare

Care International and their microfinance program, Lendwithcare, is our current global partner (2013-2015). The firm matches all funds raised by each office for both the global and local charities. This means we nearly **double our impact!**

Our firm focus : **Empowering Girls and Women**

- Each office elects its own **local charity** to support.
- We choose to support **Mumpreneurs Luxembourg Asbl** as our local charity partner.

WHY Mumpreneurs?

- Falls within the scope of our firm focus “Empowering Girls and Women”
 - helping mothers entrepreneurs grow professionally by playing the role of a middle-man.
 - We help them find solutions and meet their business needs;
- New & unique on Luxembourg market (need for support);
- We love this project 😊.
